Teen conference June 24-27 @ WSU \$295 chaperones are \$200 scholarships are available contact Nancy or your leader going into 9th grade and above

State fair is now using "fair entry" we know it's prone to mistakes so we are waiting to find out how much grace we will get for any mistakes that happen.

State kids will have to go into 4-H online and enroll their horses this will enable those to transfer their animals to fair entry

No more entry cards, still doing round up forms

When we release state teams I'll send out a link for state fair entry. Do not do it ahead of time

Read Nancy's newsletter! disregard the "tuesday news" Mike's statement telling kids to enter their horses.
